1. The following is an examiner's statement of reasons for allowance:

Additional prior art found during the search included DE 19509244, DE 19811199 and WO 93/02141 each of which do not utilize solvents in the recycling and its process does not contain step of using PVB as energy source.

In view of the above disclosure, pending claims 1-5 are now passed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
